

BARTLETT BARRACUDAS SWIM TEAM

Welcome to NEW Head Coach Cecily Herby

Cecily swam for the Bartlett Barracudas for nearly a decade and the Bartlett High School Swim Team throughout high school. She has been an employee of the Bartlett Park District since 2011 and worked as an assistant swim team coach for the past two seasons. She is a recent graduate of Iowa Wesleyan University. Her goal as a coach is to give team members the best experience while helping them reach their full potential.

Mission

To expose all swimmers to a quality swim experience by competing with other teams of equal and/or higher talent levels. The benefits through daily swim practice and biweekly meets will be improved stroke technique, endurance, fitness, team building, discipline, goal setting, sportsmanship, and building friendships.

This is a parent-supported, volunteer based program for youth who want to join the world of competitive swimming. All new registrants must pass an evaluation before the first practice. Meets are held on Wednesday evenings and Saturday mornings. Home meets are to be determined. You will sign up to volunteer at the home and away meets during registration; please bring your personal calendar.

Mandatory parent meeting will be held early to mid-May. Please email bartlettbaracudas@gmail.com for the date if you have not been notified by May 1st. (DL)

1. Each individual will register for an age group. Age groups are capped at 15 participants per gender. Participants that are waitlisted will be notified by May 4th, 2017 as to whether or not they made the final roster. **Register early, the team can only carry 150 swimmers.**
2. All new swimmers 10 and under will be required to undergo an evaluation in early May by the Barracudas coaching staff. Swimmers that do not prove basic competency in competitive swimming will have an option to receive a refund of their registration fee.
3. All swimmers and parents will be required to sign a commitment contract acknowledging responsibilities as participants and volunteers, respectively. Participants must have a signed contract on file before being admitted to practices and meets.

SWIM and AQUATIC PROGRAM WAIVER & RELEASE

Your registration form cannot be processed if the waiver form below is not completed and signed.

Important Information

The Bartlett Park District is committed to conducting its recreation programs and activities in a safe manner and holds the safety of participants in high regard. The Bartlett Park District continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors registering for this program must recognize that there is an inherent risk of injury when choosing to participate in recreational activities. You are solely responsible for determining if you or your minor child/ward are physically fit and/or adequately skilled for the activities contemplated by this agreement. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity.

Important Information

Swimming is intended to challenge and engage the physical, mental and emotional resources of each participant. However, despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury, including drowning. Understandably, not all hazards and dangers can be foreseen. The very nature of swimming is hazardous and risky, including but not limited to fatigue and overexertion, poor swimming skills, failing to avoid dangerous areas, horseplay, diving or cannon-balling into shallow water and striking the bottom or side of the pool, inadequate supervision or instruction, lack of conditioning, becoming disoriented, striking other swimmers, defective or inadequate equipment, striking one's head on the bottom when using a diving block, slip and falls on the deck or within the locker facility, chemical exposure and all other circumstances inherent to the sport of swimming. In this regard, it must be recognized that it is impossible for the Bartlett Park District to guarantee absolute safety.

Waiver and Release of All Claims and Assumption of Risk

Please read this form carefully and be aware that in signing up and participating in this program/activity, you will be expressly assuming the risk and legal liability and waiving and releasing all claims for injuries, damages or loss which you or your minor child/ward might sustain as a result of participating in any and all activities connected with and associated with this program/activity. I recognize and acknowledge that there are certain risks of physical injury to participants in this program/activity, and I voluntarily agree to assume the full risk of any and all injuries, damages or loss, regardless of severity, that my minor child/ward or I may sustain as a result of said participation. I further agree to waive and relinquish all claims I or my minor child/ward may have (or accrue to me or my child/ward) as a result of participating in this program/activity against the Bartlett Park District, including its officials, agents, volunteers and employees.

I have read and fully understand the above important information, warning of risk, assumption of risk and waiver and release of all claims. If registering on-line or via fax, my on-line or facsimile signature shall substitute for and have the same legal effect as an original form signature.
